

A festive background featuring a bokeh effect of soft, out-of-focus light circles in shades of white and light blue. Scattered throughout are small, multi-pointed stars in gold, orange, and green. In the top left corner, there are two balloons: a yellow one with a starburst pattern and a dark blue one with a white starburst pattern. In the top right corner, there are two star-shaped balloons: a dark blue one with the word 'celebrate' written in white cursive, and a yellow one.
