

UC Multi-campus Activity Funding Request

Call for Applications

Deadlines: Rolling

Applications will be reviewed after the 15th of the month for decisions by the 1st of the next month.

Purpose: To support multi-campus academic or artistic collaboration among faculty and graduate students across campuses at the University of California.

Eligibility and Guidelines:

- The lead convener of the group must be a faculty member in the School of Arts and Humanities at UC San Diego. This includes lecturers voluntarily working on projects.
- Faculty from at least one other UC campus (and ideally more) must be involved.
- Interdisciplinary activities will be given preference.
- For IAH programs, this request will not increase the number of events each program is allotted.
- Optional: Special consideration will be given to groups with a planned deliverable, such as a collective publication, website, podcast, or public symposium. Please share any plans for such an outcome.
- Fall applications may include requests for activities throughout the academic year.

Funding: Funds will stay in IAH and will not be transferred to another department, unit or campus. Funds may reimburse materials, event costs (travel and food are allowed on this fund), speaker/artist honoraria, and graduate student support. The lead convener will coordinate with staff prior to spending to ensure expenses meet policy guidelines. Funds must be spent by June 30, 2027 and will not carry forward.
